

Pioneer Springs Community School

2018-2019 Student Lottery Registration Form

To view Bill 250 from the General Assembly of North Carolina regarding more information concerning the North Carolina lottery, please visit: <http://www.ncleg.net/Sessions/2013/Bills/House/PDF/H250v5.pdf>

I have read the lottery procedures and FAQs and understand the enrollment process for the Pioneer Springs Community School lottery.

Choose one of the following:

TO REGISTER ONE CHILD, CHOOSE THIS BOX AND GO TO THE NEXT PAGE.

- I only have one child I am entering into the lottery

REGISTER MORE THAN ONE CHILD, CHOOSE ONE OF THE BOXES ONLY THEN GO TO THE NEXT PAGE.

- Run each child separately through the lottery. They will each be assigned a unique registration number. If you choose this option, and one child is admitted, then the other sibling(s) will be given priority for admission the following school year by being entered in the next sibling-priority lottery, provided the sibling is registered during the next open enrollment period. Each child should be registered on a separate form.
- Run my children through the lottery under one surname, which is called a unique registration number. If you choose this option, YOU must decide which grade level you want the **ONE** unique registration number run in the Lottery. If that registration number is admitted, the ALL siblings will be admitted immediately IF space is available in their respective grade levels. If there is no space available, then remaining siblings will be placed on the sibling priority waitlist in the order of the admitted sibling's position and admit date. Admissions can be made throughout the school year as space becomes available. If this is the option you choose, please first decide which **GRADE LEVEL** you want to have your **ONE** unique registration number entered in for the lottery and enter the information corresponding with that child. You will enter the remaining sibling(s) information later on within the same form.
- For multiple birth siblings (twins, triplets, etc) only: These children will be entered under one surname (unique registration number) and if drawn, all students shall be admitted according to the House Bill 250.

For example:

*The Smith family has 4 children eligible for PSCS lottery. (Mike will be in 3rd grade, Susan will be in 1st grade, and Maddie will be in Kindergarten.) They would like to run **all under one** unique registration number. The Smith family will need to decide which child (grade level) will be entered into the lottery. The Smith family has chosen to run Maddie through the Kindergarten lottery. They will fill out the Registration form with Maddie's information, and include all other siblings to be considered for admission, in the space provided.*

*Lottery night, if Maddie is admitted, then the rest of her siblings will also be admitted **if** there is space available in their respective grade levels. If there is no space, then those siblings will be added to the sibling priority waitlist and be eligible for admission throughout the school year as space becomes available.*

Remember:

In ALL cases: If you do not receive your Registration number by email confirmation or by mail, after you submit your registration, then your registration did not go through and your child will not be run through the lottery. You are responsible for ensuring you receive a registration number, so please contact us to confirm receipt of registration if you are in doubt. On a few occasions, registrants have found their email confirmation in their spam folder, so be sure to check there before you call!

Pioneer Springs Community School

2018-2019 Student Lottery Registration Form
